

Dear WCA Community,

As we reflect on this past year at Westminster Christian Academy, we are celebrating the clear evidence of God's work on our campuses. Our students have made meaningful academic gains, achieved notable athletic accomplishments, and, most importantly, we have witnessed many lives transformed for Christ.

Some of you receiving this letter helped build WCA's legacy; others are experiencing its impact today; and all of you have an opportunity to help shape its future. We are deeply grateful for each of you and the role you play in strengthening our Christ-centered community.

At WCA, we partner with parents to provide an education grounded in God's truth, one that equips students to influence and transform the world around them. The **WCA Annual Fund** strengthens academic programs, invests in our Christ-centered teachers, and supports campus safety and the daily operations that allow our mission to flourish.

Every gift to the Annual Fund makes an immediate and meaningful difference across our school community and helps us continue providing a transformative, biblically-based education. As you prayerfully consider your year-end giving, I invite you to support WCA through a gift to the Annual Fund. Your generosity fuels our mission of forming servant leaders who will impact society for generations.

Merry Christmas to you and yours!
